Virtual RoboCup Asia-Pacific 2020

PPT Presentation and Technical Demonstration Video

All teams need to prepare a PPT presentation and technical demonstration video.

**Deadline: 18 Sept 2020**

**Guideline for PPT preparation:**

1. **Title/Identification**
   - Team name, country, sub-league.
   - Team photos

2. **Abstract**
   - A concise summary of the entire project. The abstract should state
     - the problem(s) you investigated
     - the methods and key result
     - the conclusion

3. **Method/Robot Design and Structure**
   - A description of the choices made during the robots’ production, including the rationale underlying those choices. Production includes the design, construction, programming, component selection, and overall process.
   - Teams should indicate the programming language, sensors used, time and cost of development
   - Describe and highlight innovative idea if any

4. **Data/Results/Discussion**
   - Teams should include the details of the team’s development and testing of the robot including any relevant data and modifications made as part of the robot’s creation.

5. **Photos/Images**
   - Teams should include images and graphics of the team’s robots. Images and graphics should be original or should be available for non-commercial reuse with modification as per the creative commons license (http://creativecommons.org/).

6. **Sharing**
   - Share your team’s learning experience

7. **Additional Information**
   - You may like to include all achievement in RoboCup / RCAP or other robotics competition achievement
**Video Guideline**

**RCJ Soccer, RCJ Rescue Line, RCJ Rescue Maze, RCAP Junior Humanoid Soccer leagues:**

Each team should submit 1 video. The video should include 2 segments.
- Segment 1: Presentation (PPT can be used)
- Segment 2: Technical demonstration. Topics will be given by OC.

**Video Guideline**

**for RCJ OnStage:**

Each team should submit 1 video. The video should include 3 segments.
- Segment 1: Presentation (PPT can be used)
- Segment 2: Performance
- Segment 3: Technical demonstration. Topics will be given by OC.
